

Christian Assembly Internship Application
September 2019 - May 2020

"If anyone desires to be a leader in the church, that person desires a good thing."
1 Timothy 3:1

The *Christian Assembly Internship* is designed to provide men and women opportunity to discover, clarify and activate their spiritual gifts and unique calling to ministry in the local church with supervision and mentorship from our pastoral staff. Interns will be given the chance to make a lasting impact in our local church, our neighboring communities and in individual lives through goal setting, planning, risk-taking, leadership, and discipleship. Each intern will be supervised by an appointed member of our pastoral staff within one of our ministry departments, and all interns will participate weekly in an Intern Cohort led by Matt Price.

We are truly excited to receive your application, and are honored by your desire to participate in ministry with us. If you are considering this opportunity, we encourage you to apply. Don't be fearful. Don't second guess yourself. Trust the Lord with open-handed obedience, and we will discern this opportunity together.

We welcome you to apply. Submitting an application begins the process of consideration and discernment of acceptance to the internship program. Once we receive your application, you will be contacted by a member of our staff who will want to hear more about you. Further steps will include an interview with your potential supervisor, and a possible notice of acceptance. *This application is due by August 1.*

Christian Assembly's Statement of Faith

The sole basis for our belief is the Bible, which is uniquely God-inspired, infallible, and the final authority on all matters on which it speaks. As the Bible teaches, there is one God, eternally existing in three persons – Father, Son and Holy Spirit – each possessing all the attributes of deity.

God created humans to have fellowship with Him, but they defied God by sinfully going their own way. As a result, we need God's saving grace to end our alienation from Him. Salvation comes only through God's grace – not human effort – and must be received personally by repentance and faith.

Jesus Christ, second Person of the Trinity, was born of a virgin named Mary. He lived a sinless life on earth and voluntarily and necessarily paid for our sin by dying on the cross as our substitute. This accomplished salvation for all who trust in Him alone. Jesus rose from the dead and is the only mediator between us and God. He baptizes believers in the Holy Spirit. He will return to earth to consummate history.

The Holy Spirit draws sinners to Christ and equips believers for personal growth and service to Christ and love for others. The church's role is to glorify God and serve those in need. At the end, everyone will experience bodily resurrection and the judgment. Only believers will enjoy eternal fellowship with God.
