

What We Learned in 2+3s

September 10-11

Bible Story

Noah's Ark (Genesis 6-9)

God saved Noah, his family, and the animals so that our world could continue to be a wonderful place.

What to Tell Your Child

Noah loved and obeyed God. God had a plan for Noah and his family. God has a plan for you too!

What to Do

Paint, color or create a bright rainbow like the one God gave to Noah as a reminder that he keeps his promises. Pray and thank God that he always keeps his promises, even to us still today.
