

WHAT CHURCH LEADERS ARE SAYING...

I'm enthusiastic about Perspectives because my life and our church are devoted to spreading a passion for the supremacy of God in all things for the joy of all peoples through Jesus Christ. God means to be known and enjoyed by every tribe tongue and nation (Rev. 5:9). Perspectives has been essential in mobilizing hundreds of lay people in our church to be World Christians.

Rev. John Piper, Senior Pastor, Bethlehem Baptist Church, Minneapolis MN, Author

Perspectives has helped scores of people move from being spectators to participants in world evangelization. It's a vital link in our plans to be a world-impact church.

Dr. Paul Bubna - Late president of the Christian & Missionary Alliance

God used Perspectives to significantly impact my life. It is one of God's powerful tools in His Kingdom work. Attend and you will never be the same!

Rev. Larry Ressor - President & Founder, Global Focus

WHAT CAMPUS MINISTRIES ARE SAYING...

Perspectives gives people an opportunity to be exposed to the faith stretching challenge of world missions from the first hand experience of those God is using on the field. I heartily endorse this effort.

Bill Bright, Late founder of Campus Crusade for Christ

It was foundational for my career in ministry.

Scott Bessenecker - Director of Global Projects, InterVarsity Christian Fellowship

During my years as a Campus Director with The Navigators, we routinely used Perspectives with the students in our ministry. Without a doubt, Perspectives played a huge role in helping our student friends develop an informed world-view, a deepened passion for Christ and specific plans to do their part in taking the good news of Christ into the nations! I encourage any ministry to weave Perspectives into the college experience of students who want to be used by God in today's world.

Mike Jordhal - National Director, Navigators

WHAT MISSION AGENCIES ARE SAYING...

For many Christians, Christianity is like a puzzle spilled out on the floor. Perspectives puts it all together by showing us the box top and helps us understand how missions is at the very heart of God. It not only changed my music and my ministry, but the very way I live.

Scott Wesley Brown, Recording Artist; Founder & President, I CARE Ministries

Perspectives calls every Christian to become engaged in the greatest enterprise of all.

Dr. Luis Bush, Director, World Inquiry

The whole world will be reached with the gospel when the whole church gets involved. Perspectives is one of the keys that God is using everywhere in the Great Commission.

Loren Cunningham, Founder, Youth With A Mission (YWAM)

We are amazed! By now thousands of students are telling us this course is a superb way to know what God is up to on this planet, and to find one's place within that spectacular new perspective.

Dr. Ralph Winter, Founder, U.S. Center for World Mission
