

WORSHIP SONG LYRICS

Mourning Into Dancing

Where there once was only hurt
He gave His healing hand
Where there once was only pain
He brought comfort like a friend
And I feel the sweetness of His love
Piercing my darkness
And I see the bright and morning sun
As it ushers in His joyful gladness

Chorus

He's turned my mourning into Dancing
again
He's lifted my sorrows
I can't stay silent, I must
Sing for His joy has come

Bridge

His anger lasts for a moment in time
But His favor is here
And will be on me for all my lifetime

Every Praise

Chorus

Every praise is to our God
Every word of worship with one
accord
Every praise, every praise is to our God
Sing Hallelujah to our God
Glory Hallelujah is to our God
Every praise, every praise is to our God

Bridge

God my Savior
God my Healer
God my Deliverer
Yes He is, yes He is

Only You

I will give You praise (echo)
I will sing Your song (echo)
I will bless Your holy name (echo)
Your holy, holy name (echo)

For there is no other God (echo)
Who is like unto You (echo)
And You're the only way (echo)
The one and only way (echo)

Only You are the author of life
Only You can give the blind their sight
Only You are called Prince of Peace
Only You promised You'd never leave
Only You are God

Bridge

Only You are God
Only You are God
Only You alone are God
